**CASC-OR 2006 SoloOntario Open House Report**

April 2nd was the annual SoloOntario Open House that took place, once again, at CSC Racing in Newmarket. Unlike last year's Open House where Newmarket received close to 18" of wet snow, this year was a beautiful April day.

Both the CASC-OR SoloSprint (Solo 1) Series and Autoslalom (Solo 2) Series co-host their respective Open Houses on the same day and at the same venue, allowing all who are interested to sign up for one or both series. While competitors sign up for each series, they also took advantage of CSC Racing's services and products at a discount which was offered for the one day only. A lot of competitors took advantage of the racers discount, keeping Ralph and Jennifer AT CSC Racing busy all day.

**The CASC-OR 2006 Mobil 1 Autoslalom**

Championship Series Sponsored by Inside Track Motorsport News has ten events again for 2006 with six events counting towards overall, class and novice championships. Each event is hosted by a different club from across Ontario and events take place in Ottawa, London, Bracebridge, Picton, Peterborough, Mosport, Barrie and Oakville. There is also an Autoslalom school for novice competitors to acquire the skills required to be competitive in a sport that rewards the smooth and skilled competitor. The 2006 Autoslalom school will be hosted HADA Motorsport Club and will take place in Brampton before the season gets under way. The season is also wrapped with the annual SoloSprint and Autoslalom crossover event, the CASC-OR SoloOntario Top Gun Shoot-Out which is an event the has aspects of both disciplines wrapped into one single event.

The CASC-OR Mobil 1 2006 SoloSprint Championship Series is a nine event series, that takes place on various Road Courses across Ontario and into Quebec, utilizing Shannonville Motorsport Park, Toronto Motorsport Park (Cayuga),

Mosport's Driver Development Track as well as Mosport's International Raceway and for the 2006 season there is an event at Autodrome St-Eustache, just outside of Montreal. The event at St.-Eustache will also be the ASN Canada FIA's 2006 SoloSprint National Championship.

After the Open House was wrapped up and all the series registrants tallied, the CASC-OR 2006 Mobil 1 Autoslalom Championship Series Sponsored by Inside Track Motorsport News had 66 competitors signed up and the CASC-OR 2006 Mobil 1 SoloSprint Championship Series had 53 competitors register.

A number of different CASC-OR affiliated clubs were present taking memberships. These clubs consisted of Oshawa Motor Sport Clubs (OMSC) which were also the organizing club of the Open House, HADA Motorsport Club (HADA), Western Ontario Sports Car Association (WOSCA), Toronto Autosport Club (TAC), Subaru Performance Driver's Association (SPDA) and British Automobile Racing Club (BARC). Membership in a Canadian Automobile Sports Clubs – Ontario Region (CASC-OR) club is required to participate in both of the sanctioned Series.

Also present were a few series sponsors with tables showing or selling their products and services. Included in this group were Mark Swain and Rob Morton from Inside Track Motorsport News, Doug and Pat Cranston from CG-Lock Canada, Perry Ianuzzi from Mad Macs Communications and Graphics and Mark Ruzycski from Northern Motorsport. Also present was both the SoloSprint and Autoslalom Series' title sponsor Mobil 1 sponsorship representative David Swain, who was there making sure that Mobil 1 was well represented.

Both series couldn't function without the support of the volunteers that put the time in to help out the CASC-OR Solo Directors. For the Autoslalom Series, Brian Sibbitt and Jason Drummond spent the entire afternoon at the Autoslalom Series table processing series registrants. Also present and helping out were Hanif Premji, Pete Mills and Opal Gamble. The SoloSprint Series also had many of its committee members out helping. Ana-Maria Santos, Gerry Cornwell, Rob McAuley, John Paczynski, Arek Wojciechowski, Adam Hutchinson, Joe and Ann Smiley, Chris Paczynski and Car Classification Committee Chair James Mewett were helping SoloSprint Director Christian Sorensen. A big thanks needs to go to these volunteers who freely give their time and energy to make both of these series work, asking for nothing in return.

For more information about how to get involved in either series, point your browsers to <http://www.soloontario.com> where you can find all the information you will need to get started in Autoslalom, SoloSprint or CASC-OR's web site at <http://www.casc.on.ca> where there is more information about these and other CASC-OR sanctioned disciplines.

See you at the next Solo event in the nearest parking lot or Ontario Track.
